Fund	Name	Description	Group
6993	John D & Yvette J Lane Endowment	<p>To provide scholarships or other financial assistance to regularly enrolled candidates for the degree of Doctor of Medicine. The amount shall not exceed \$4,000 for each academic year adjusted to Consumer Price Index (all items) published for the area nearest to Augusta. No recipient shall receive payments for more than 4 academic years. Selection committee shall have the exclusive right and discretion to institute such procedures for application, selection and termination as they deem necessary provided they are guided by the Trustors' desire that selection be based upon financial need, and upon favorable determination by the committee of a promising and credible scholastic and character background of the recipient.</p>	
6994	Pediatric Surgery Endowed Chair	<p>The purpose of this fund is to establish a permanent endowment fund at MCG. The gift will be entered into the Foundation's records as the Pediatric Surgery Endowed Chair. The spendable income of the fund calculated in accordance with the Foundation's guidelines, but not the principal, shall be expended in support of the faculty member holding the professorship in the Department of Surgery, Section of Pediatric Surgery. Expenditures of these funds shall be made by the faculty member at the discretion of the chairperson of the Department of Surgery in consultation with the Dean, School of Medicine.</p> <p>If at any time in the future, due to program and/or organizational changes, a need does not exist for this account or if the terms and provisions of this agreement should conflict with any federal, state or local laws, statutes, regulations or ordinances, the Board of Directors of the Foundation shall have the authority to select an appropriate use for this account which will come as near as possible for fulfilling the wishes of the donor.</p>	
7000	Floyd C. Jarrell, Jr., M.D. Distinguished Chair in Surgical Oncology	In support of the surgical oncology chair.	
7008	Lutcher-Colgan Memorial Lectureship	The Foundation has attempted to obtain an official agreement but has been unsuccessful.	
7009	Barton Otolaryngology Endowment	Support the educational, clinical, and research activities of the Section of Otolaryngology in the School of Medicine.	
7010	Ahlquist Pharmacology Endowment	Support of the programs and activities of the Pharmacology Department in the School of Medicine.	

Fund	Name	Description	Group
7011	Marshall Allen Lectureship Endowment	Provide financial resources necessary for the educational and professional advancement and enrichment of neurosurgery resident and faculty education and training to include Grand Rounds honoraria and travel (current and alumni).	
7012	Marshall B. Allen, Jr., M.D. Distinguished Chair In Neurosurgery	To provide support funding to the leadership of the Section of Neurosurgery in the Department of Surgery in the form of salary supplement for the Chief of Neurosurgery.	
7015	Angela Mahesh Memorial Endowment	The income will establish a distinguished annual lectureship in the Department of Pediatrics known as the Angela R. Mahesh Memorial Lectureship. It will be used under the authority of the Chairman of the Department of Pediatrics to pay for expenses involved with inviting an outstanding physician/scientist to deliver the lecture and be available during such visit to faculty and students for promoting educational, research and patient care goals of the Dept. of Peds.	
7016	Presidential Distinguished Chair	To be used to support the salary of a faculty member at the discretion of the President.	
7017	Distinguished Chair for Oncologic Pathology	To provide support funding to the leadership of Oncologic Pathology in the Department of Pathology in the form of salary supplement for the Chair Holder.	
7018	John B, III & Phyllis O'Neal Scholarship	INCOME to be used to provide financial support to deserving students in the School of Medicine.	
7019	Dr. M.P. Bates Scholarship Endowment	An endowment to men and women preparing to become doctors in rural areas.	
7020	Lawson T. Arnold Fund	Support a continuing education course presented for physicians in Georgia and at least two other states.	
7021	Bailey/Smith Memorial Rheumatology	To be administered and used by the Section of Rheumatology as deemed most beneficial.	
7025	Case Distinguished Chair of Psychiatry	To support a chair in the Department of Psychiatry.	

Fund	Name	Description	Group
7026	Bert Brown Scholarship Endowment	Provide financial support to residents in training in the Orthopedics residency program. Recipients should demonstrate excellent academic achievement and a commitment to the practice of orthopedic surgery.	
7028	Class Of '60 Student Endowment	To endow medical student research by projects as approved by a research committee and Dean of Medicine.	
7029	Charles S. Floyd Medicine Scholarship	To provide scholarship assistance to outstanding students who require financial assistance for medical school.	
7030	Guy T. Bernard Endowment	To be used in the training of health professionals to treat cancer or to supply equipment to be used in the treatment of cancer.	
7032	Brooks Chair Endowment	To fund a chair in the Department of Obstetrics and Gynecology.	
7034	Class of '61 Scholarship Endowment	Provide scholarship for first year medical student to be renewed based on the maintenance of a B average.	
7035	Cardiology Witham Research Endowment	Support programs and activities of the Section of Cardiology.	
7036	Creel Chair In Cardiology	To support a chair in Cardiology.	
7037	Curtis Carter Memorial Fellowship Endowment Fund	To fund fellowship training in the internal medicine program with the emphasis in Rheumatology Section.	
7038	Continuing Education/Garrison	Support continuing education courses and related professional activities of the School of Medicine.	
7040	Dermatology Lecture	Support lectureship program; or disbursed annually to benefit the programs and activities of the Department of Dermatology.	
7042	Dan Printup Memorial Endowment	To provide a scholarship to a medical student chosen by the trustees.	
7043	Family Medicine Education	To enhance education programs within family medicine in Georgia.	

Fund	Name	Description	Group
7044	Robert G. Ellison, M.D. Distinguished Chair in Cardiothoracic Surgery	To support research projects and fellows in cardiac and thoracic surgery.	
7045	Endocrinology Endowment	Support programs and activities of the Department of Endocrinology.	
7046	Arthur J. Gatz Memorial	To buy books and/or journals for the anatomy museum.	
7047	GAFP Joseph W. Tollison, M.D. Distinguished Chair	To support a chair in family practice.	
7048	Glover-Mealing Eminent Scholar Chair in Immunology	To support salary and benefits for the faculty member recipient of the Glover Mealing Eminent Scholar Chair in Immunology.	
7049	Gramling, Z.W. Scholarship	To build an endowed professorship in anesthesiology. The fund will also support scholarly academic endeavor for one or more medical students as well as an annual lectureship.	
7050	Greenblatt Lectureship Endowment	To invite an outstanding endocrinologist to deliver a scientific lecture annually.	
7052	Orien Thomas Gower Scholarship Endowment	To provide scholarships to a student in the School of Medicine based on high academic qualifications, financial need, and qualities of kindness and caring.	
7057	GRA Eminent Scholar in Molecular and Cellular Neurobiology	To support an eminent scholar chair in molecular and cellular neurobiology.	
7058	GRA Eminent Scholar Chair in Molecular Biology	To support a molecular biology eminent scholar chair.	
7060	Robert B. Greenblatt, M.D., Chair in Endocrinology	To be used as salary supplements and for support of research to enhance the Department of Endocrinology.	
7062	Dorothy A. Hahn, M.D. Chair in Pediatrics	To support a chair in pediatrics.	
7063	Curtis G. Hames, M.D. Endowed Chair for the Department of Fa	To support a chair in family practice.	

Fund	Name	Description	Group
7065	Hames Family Practice Fund Endowment	To fund a lectureship, salary supplements, and research in Family Practice.	
7066	Mullins Merit Scholar Endowment	To provide scholarship(s) to a medical student(s) selected by the School of Medicine Scholarship Committee based upon need and merit.	
7067	Dr. Charles Goodrich Henry and Carolyn Howell Henry Chair of Orthopedics	To provide supplemental funding to the Section of Orthopedics to recruit and maintain a faculty position.	
7069	Virginia & Gordon W. Jackson, M.D. SOM Scholarship Endowment	To be used to provide financial support to deserving students in the School of Medicine based on merit and need.	
7070	W. F. Hamilton Memorial Fund	To support the programs and activities of the Department of Physiology.	
7071	Milford B. Hatcher, M.D. Chair In Surgery	To support a chair in the Department of Surgery.	
7072	Ellington Charles Hawes Chair In Pediatrics	To support a chair in pediatrics and hold an appropriate annual event.	
7073	Lynne Griffin Johnson Diabetes Endowment	To fund research, education, and training programs for diabetes.	
7077	McCranie Child Psychiatry Endowment	To be used to invite child psychiatrists annually as visiting professors to participate in the training program of the psychiatry department.	
7080	Gilbert Maxwell Endowment	For scholarships.	
7081	GRA Eminent Scholar In Cognitive and Systems Neurobiology	To support an eminent scholar chair in synapses and cell signaling.	
7083	Lansing B Lee, Sr. Scholarship	To establish a scholarship for a School of Medicine Student, awarded annually, candidate selected by the School of Medicine Scholarship Committee.	
7084	GRA Molecular Immunogenetics Eminent Scholar Chair	To support an eminent scholarship chair in molecular medicine.	

Fund	Name	Description	Group
7087	SMAA Lifetime Scholarship	Income will be given to deserving descendents of alumni who are entering or enrolled in School of Medical School.	
7088	Mullins Memorial Library Fund	To provide for purchase of book and other educational materials for the library; support scholarly academic endeavors in the Department of Pathology.	
7090	SMAA General Endowment	To be used in support of the programs and activities of the School of Medicine.	
7091	Thomas Muldoon Lectureship Endowment	Establish lectureship in the Department of Physiology and Endocrinology to invite a distinguished scientist on an annual basis. Funds to pay for honorarium, travel, printing of brochures and reception. Excess funds can be used to enhance research.	
7096	Orthopedic Surgery Professorship	To establish an endowed professorship in orthopedic surgery.	
7097	Porubsky Library Fund Endowment	To purchase books, video and audio tapes to maintain the high quality of the section library of otolaryngology.	
7098	Peacock Family Medical (Award) Scholarship Endowment	To provide a \$200 annual excellence award to the outstanding medical student in the anatomy class. Remaining funds will be used to purchase anatomy atlases for students in the SOM.	
7101	Edgar R. Pund, M.D. Distinguished Chair In Pathology	To support 1) Lectureships, visiting professorships and fellowships, seminars, courses and symposia, purchase and production of educational materials; 2) Research in pathology; 3) Identifiable construction, or function of designated space for use in connection with 1 & 2 above; 4) Other projects that would honor the memory of Dr. Pund.	
7102	Radiology Department	To be used in support of the programs and activities of the Department of Radiology.	
7103	Joseph P. Bailey Rheumatology Endowment	To support the programs and activities of the Section of Rheumatology.	
7105	Neurosurgery Section Endowment	To support the programs and activities of the Section of Neurosurgery.	

Fund	Name	Description	Group
7109	Dr. Paul G. McDonough Lectureship	To establish a lectureship to bring leaders in reproductive genetics to MCG.	
7112	Milton B. Satcher, Jr., M.D. Chair for Musculoskeletal Disease Research	Endowed Chair in musculoskeletal disease research in the Section of Rheumatology in the School of Medicine at MCG. These funds shall be used to recruit and maintain a Chair for research in the field of musculoskeletal disease, primarily, but not limited to, rheumatoid arthritis. The chair is encouraged to consult with and work with the Chair of the Department of Orthopaedic Surgery or his or her designee relative to any musculoskeletal disease research initiatives of said department. The Section of Rheumatology and the Department of Orthopaedic Surgery are encouraged to collaborate on any research initiative for either entity as long as said research pertain to musculoskeletal disease including such studies as cartilage regeneration.	
7113	J.C. Bible Jr. Pulmonary Research Endowment	To provide income to support research programs and clinical care of patients in the Section of Pulmonary Medicine.	
7114	Shane & Dodd Family Endowment	To provide financial support to the educational programs in the Department of Neurology. No distributions allowed until the endowment balance is greater than \$50,000.	
7115	Dr. Walter L. Shepeard Clinical Pathology Chair	To support a chair in clinical pathology by advancing education in clinical pathology, especially through the support of lectureships, visiting professorships and fellowships; seminars, courses and symposia; purchase and production of educational materials. To support development in clinical pathology. To support identifiable construction, or function of designated space for use in connection with the above. To support other projects that would honor the memory of Dr. Shepeard.	
7117	Otolaryngology Chair Fund	Establish a distinguished chair in otolaryngology.	
7120	Stevens, Billy & Bobby Memorial	To improve techniques in care, development and treatment of children and for enhancing medical knowledge of the cure and prevention of children's diseases.	
7122	Pathology Resident's Endowment	To supplement educational activities of the pathology house staff, including residents and fellows including travel, books and journals, publication costs, research support and other educational activities.	

Fund	Name	Description	Group
7123	Phi Rho Sigma Lectureship Series Endowment	To be used to attract visiting lecturers for continuing medical education.	
7125	Jack B. Williams, M.D. Lectureship	To provide a honorarium for a visiting lecture in the Department of Anesthesiology.	
7126	Samuel Rosen, M.D. Memorial Lectureship Endowment	To sponsor a lectureship or comparable educational activities for students, house staff, faculty and practitioners. The BOD will consult with Dr. Malcolm N. Luxenberg, Mrs. Sandra R. Luxenberg, Dr. Steven N. Luxenberg and Mrs. Cathy A. Barnard to select an appropriate use for this fund. Per Dr. Luxenberg this is a campus wide lecture 11-7-06.	
7128	Rudolph Bell Urological Fellowship	A perpetual endowment-to provide financial support to interns or residents in urology.	
7132	J. Roy Rowland, Jr., M.D. Lectureship Endowment	To provide funding for a lectureship in the School of Medicine every other year and to support the White Coat Ceremony by subsidizing \$4,000 towards the purchase of the white coats annually if the disbursements from the endowment allows.	
7134	Rural Health Outreach Endowment	To support the activities of rural health medicine.	
7136	James Sawyer Memorial Scholarship Endowment	To provide funds to recognize a medical student with financial need, who demonstrates a commitment toward academic excellence and a concern for others.	
7137	Edward S. Porubsky, M.D. Distinguished Chair In Otolaryngology	Support funds to the leadership of the Section of Otolaryngology in the Department of Surgery in the form of salary supplement for the chief of the Section of Otolaryngology.	
7138	Suntrust Matching Gift Endowment	To fund an endowed chair in the Institute of Molecular Medicine and Genetics.	
7140	Virgil P. Sydenstricker, M.D. Chair	Support programs and activities of the Department of Medicine as determined by the Dean of the School of Medicine and the chairman of the Department of Medicine.	

Fund	Name	Description	Group
7141	Harry Graham Hammock Alzheimer's Research Endowment	To provide financial support for activities of the Alzheimer's Research Center.	
7142	First Union Foundation Matching Gift Endowment	To fund an endowed chair in the Institute of Molecular Medicine and Genetics.	
7143	Charles W. Linder, M.D. Endowed Chair	To provide funding to the Department of Pediatrics through the creation of a chair dedicated to support a faculty position.	
7144	Lois Taylor Ellison, M.D. Scholarship Endowment	NO FUND AGREEMENT	
7145	Hy & Blanche Selwyn Parkinson's Fellowship Endowment	To provide supplemental funding to the Department of Neurology fellowship training position in the Movement Disorders Clinic.	
7146	George R. Spooner, III, M.D. Memorial Fellowship	To provide an annual fellowship stipend for a resident in Nephrology in the Department of Medicine.	
7147	The Carlos and Marguerite Mason Chair in Transplant Surgery and Immunology	To support a chair in transplant surgery and immunology in the School of Medicine.	
7148	GRA Bradley-Turner Eminent Scholar Chair In Genomic Medicine	To support an Eminent Scholar Chair in Molecular Medicine and Genetics.	
7151	Leland D. Stoddard, M.D. Endowment For Pathology	To defray the cost of travel to meetings concerning the medical field of pathology and to fund research grants for physicians performing their residency requirements.	
7152	Lloyd B. Schnuck, Jr., M.D. School of Medicine Scholarship	To provide scholarships to medical students at the Medical College of Georgia based solely on financial need. The School of Medicine scholarship committee or successor will be responsible for the selection.	
7153	Francis J. Tedesco, M.D. Distinguished Chair In Pediatric Hemat	To support a chair in pediatric hematology/oncology.	
7154	GRA Eminent Scholar Chair In Telemedicine	To support an eminent scholarship chair in Telemedicine.	

Fund	Name	Description	Group
7155	Temporal Bone Lab Endowment	Purchase of drills, microscopes or other equipment needed to maintain the temporal bone lab.	
7156	William B. Strong Chair In Pediatric Cardiology	To establish fund to support clinical, research and educational programs in pediatric cardiology.	
7158	Herbert S. Kupperman, M.D. Chair in Cardiovascular Disease	To support a chair in cardiovascular disease.	
7160	Torpin Memorial Endowment	Support programs and activities of the Department of Obstetrics and Gynecology.	
7161	GRA Eminent Scholar Chair In Neuroscience	Support a chair in neuroscience.	
7162	Redden L. Parramore, Jr. M.D. Scholarship Endowment	To endow a four year scholarship to be awarded to a Lowndes County student pursuing his or her medical degree.	
7163	Ollie O. McGahee Jr, M.D. Professorship Endowment	To establish a permanent endowment fund at MCG to support of the clinical educator holding the professorship in the Department of Family Medicine.	
7165	Rinker Witherington Urologic Society Endowment	Support expenses of the daily operation of the Rinker Urologic Society and underwrite expenses incurred to sponsor an annual Rinker Lectureship.	
7166	Virendra Mahesh, M.D. Lectureship & Graduate Student Award	To stimulate research and education in the field of endocrinology. To also provide an award to graduate student in area of Endocrinology.	
7167	Volpitto Library Endowment	Support research efforts of the faculty of the Department of Anesthesiology; to enhance educational resources for faculty, residents and medical students.	
7170	Moretz /Mansberger Distinguished Chair In Surgery	To support a chair in the Department of Surgery.	

Fund	Name	Description	Group
7171	Warren Professorship Endowment in Radiology	To supplement salary of the distinguished chair of Radiology in the amount of \$10,000 per year. Income in excess of \$10,000, 50% may be spent for research and purchase of equipment at the discretion of the Warren Professor.	
7172	Warren Research Fellowship Endowment	Fellowship be restricted primarily to the research and investigation of the cause and cure of malignant diseases and allied conditions.	
7173	Waid-Holder Endowment Fund	To receive and expend contributed monies to the research programs of the Institute of Molecular Medicine and Genetics.	
7175	Wimberly Coleman Memorial Endowment	Benefit the section of rheumatology in the School of Medicine.	
7176	Woo Memorial Award Endowment	Provide funding for an annual award to the sophomore student with the highest grade point average in the School of Medicine.	
7178	Betty B. Wray, M.D. Scholarship Endowment	To provide financial support to students pursuing a Doctorate of Medicine degree in the School of Medicine. The Scholarship Committee of the School of Medicine will select the recipients of this award. The student(s) should preferably be from South Georgia.	
7179	Betty B. Wray, M.D. Chair In Pediatrics	Established to provide financial support to the Department of Pediatrics in attracting and maintaining an outstanding faculty in the Pediatric Allergy/Immunology section.	
7180	Claude-Starr Wright Memorial Lectureship Endowment	Support an annual lectureship by inviting some outstanding individual in the field of medicine to speak at the MCG.	
7182	W.H. Pool Lectureship Endowment	To fund the expenses of guest lecturers and visiting professors to benefit faculty and residents.	
7186	Roy Witherington, M.D. Chair In Urology	To support a chair in the Section of Urology in the Department of Surgery.	
7190	Stehle, August & Marian Memorial Student Aid Fund	To provide financial assistance for deserving students in the School of Medicine.	

Fund	Name	Description	Group
7191	W. Knowlton Hall Biochemistry Endowment	Distributions may be transferred to fund 7539 at the direction of the chairman or administrative manager. Transferred funds may be used as outlined for that Fund. Purpose of 7539 is: To support various activities and programs as needed in the Departments of Biochemistry and Molecular Biology.	
7300	Aven Fund	Memorial loan fund to make loans to deserving students in the School of Medicine	
7317	John Rice Hudson Student Loan Fund	To provide loans to students in the School of Medicine.	
7318	L. Lackey Jr. Student Loan Fund	To be used to establish loans to students in the School of Medicine.	
7319	Lizzie Whitehead Memorial	Emergency loan to students in the School of Medicine with interest accruing at the college's rate on similar loans.	
7325	Medicine School Loan Fund	For educational loans to students in the School of Medicine.	
7340	Nutt Student Loan Fund	To provide student loans to needy, deserving students.	
7345	Robinson Student Loan	To provide loans to junior and senior students in School of Medicine who will practice primary care in rural counties of Georgia.	
7449	Cardiology Fellowship Fund	To establish a fund to support the programs and activities of the Section of Cardiology.	
7455	Alzheimer's Research	To further research in the area of Alzheimer's Disease.	
7456	Alzheimers Molecular Biology Laboratory	NO FUND AGREEMENT	
7460	Ahlquist Pharmacology	Support of the programs and activities of the Pharmacology Department in the School of Medicine.	

Fund	Name	Description	Group
7462	Marshall B. Allen, Jr., M.D. Distinguished Chair In Neurosurgery	To provide support funding to the leadership of the Section of Neurosurgery in the Department of Surgery in the form of salary supplement for the Chief of Neurosurgery.	
7463	Marshall Allen Lectureship	Provide financial resources necessary for the educational and professional advancement and enrichment of neurosurgery resident and faculty education and training to include Grand Rounds honoraria and travel (current and alumni).	
7465	Allergy Immunology	To support educational programs and professional activities of the Section of Allergy/Immunology in the Department of Pediatrics.	
7467	Allergy Immunology/B.Wray	Support of fellowship training program, recruitment, research, and speakers in the Department of Allergy/Immunology.	
7502	Anatomy Department	For teaching and research programs in the Department of Anatomy.	
7503	American Medical Association Loan	To provide loans to medical students through the Medical Student Assistance Program	
7504	Anesthesiology	Support programs and activities of the Department of Anesthesiology.	
7505	Angela Mahesh Memorial Expendable	The income will establish a distinguished annual lectureship in the Department of Pediatrics known as the Angela R. Mahesh Memorial Lectureship. It will be used under the authority of the Chairman of the Department of Pediatrics to pay for expenses involved with inviting an outstanding physician/scientist to deliver the lecture and be available during such visit to faculty and students for promoting educational, research and patient care goals of the Dept. of Peds.	
7507	Anstadt Cardiothoracic Research & Education	To fund continuing education in Dept. of Cardiothoracic Surgery including the Multidisciplinary Thoracic Tumor Board Conference.	
7511	Lawson T. Arnold Expendable	Support a continuing education course presented for physicians in Georgia and at least two other states.	

Fund	Name	Description	Group
7515	GRA Bradley-Turner Eminent Scholar Chair In Genomic Medicine	To support an Eminent Scholar Chair in Molecular Medicine and Genetics.	
7521	Dr. M.P. Bates Scholarship	For men and women preparing to become doctors in rural areas.	
7524	Bert Brown Scholarship Expendable	Provide financial support to residents in training in the Orthopedics residency program. Recipients should demonstrate excellent academic achievement and a commitment to the practice of orthopedic surgery.	
7526	Bailey-Smith Memorial Rheumatology Expendable	The fund is to be administered and used by the Section of Rheumatology at the MCG as deemed most beneficial.	
7534	Barton Otolaryngology	Support the educational, clinical, and research activities of the Section of Otolaryng-ology in the School of Medicine.	
7535	Guy T. Bernard Expendable	To be used in the training of health professionals to treat cancer or to supply equipment to be used in the treatment of cancer	
7537	Breast Cancer Clinical Research	Clinical Breast Cancer Research needs.	
7539	BMB Research & Education Fund	To support various activities and programs as needed in the Departments of Biochemistry and Molecular Biology.	
7542	Bone Laboratory	To support presentations at meetings and entertainment of physicians.	
7545	Bliven Society	To support the programs and activities of the Section of Orthopedics.	
7548	Bone Banking	To support endeavors of Organ Procurement Program Bone Bank.	
7552	Burn Unit Special Fund	To be used by the staff and patients in the burn unit in the interest of improved patient care.	
7554	Brooks Chair Expendable	To fund a chair in the Department of Obstetrics and Gynecology	

Fund	Name	Description	Group
7556	Cardio Thoracic Development Fund	Support cardiothoracic surgery research and marketing efforts.	
7559	Case Distinguished Chair of Psychiatry	To support a chair in the Department of Psychiatry.	
7560	Cardiology Research/Witham	Support programs and activities of the Section of Cardiology.	
7562	Center For Health Care Improvement	Promote educational advancement for residents, sponsor seminars, symposiums and research educational courses for residents, staff and faculty.	
7563	Cardiovascular Pharmacology Fund	Support cardiovascular pharmacology research and education.	
7564	Cancer Center	Support the construction, operations and maintenance of a Cancer Center.	
7566	Clinical Pathology Intellectual Capital	To invest in the laboratory's technical staff by supporting continuing education through meetings, in-house Continuing Education/Continuing Medical Education, publications, software, and other educational opportunities.	
7573	Lucille B. Winans Memorial	Support research whose benefits will accrue to patients with diabetes.	
7576	Class Of '61 Scholarship	Provide scholarship for first year medical student to be renewed based on the maintenance of a B average.	
7577	Class Of '60 Student Research	This fund shall endow medical student research projects as approved by a research committee and Dean of Medicine.	
7578	Charles S. Floyd Medicine Scholarship	To provide scholarship assistance to outstanding students who require financial assistance for medical school.	
7579	Cellular Biology and Anatomy	To support programs and activities of the department of cellular biology and anatomy.	
7590	Clinical Problems/Pulmonary	Support programs and activities of the Section of Pulmonary Disease.	

Fund	Name	Description	Group
7591	Creel Chair In Cardiology	To support the chair in Cardiology.	
7593	Basic and Clinical Research	The funds are for MCG basic and clinical science research support. These funds are for research-related expenses, travel, boarding and lodging expenses for collaborators, and luncheon or dinner expenses related to research or for research laboratory personnel meetings.	
7595	Edgar R. Pund, M.D. Distinguished Chair In Pathology	To support 1) Lectureships, visiting professorships and fellowships, seminars, courses and symposia, purchase and production of educational materials; 2) Research in pathology; 3) Identifiable construction, or function of designated space for use in connection with 1 & 2 above; 4) Other projects that would honor the memory of Dr. Pund.	
7599	Floyd C. Jarrell, Jr., M.D. Distinguished Chair in Surgical Oncolog	In support of the surgical oncology chair.	
7600	Continuing Education/Garrison	Support continuing education courses and related professional activities of the School of Medicine.	
7602	Dr. John Scott Coleman Lecture Fund	Fund an annual lecture for medical students and others interested by a distinguished physician or scientist.	
7603	Martha Culpepper Memorial	Support cancer research.	
7604	CSRA Sickle Cell Association	Support the various needs of the pediatric sickle cell population in the CSRA.	
7606	Cystic Fibrosis Center	Provide for needs of cystic fibrosis and pediatric pulmonology patients and families. Provide continuing education opportunities for pediatric pulmonology staff, including travel. Provide supplies & incidentals for cystic fibrosis and pulmonary centers.	
7607	Curtis Carter Mem. Fellowship	To fund fellowship training in the internal medicine program with the emphasis in Rheumatology Section.	
7610	Dan Printup Memorial Expendable	To provide a scholarship to a medical student chosen by the trustees.	

Fund	Name	Description	Group
7620	Dean-School Of Medicine	Support programs and activities of the Dean of the School of Medicine.	
7621	Presidential Distinguished Chair	To be used to support the salary of a faculty member at the discretion of the President.	
7622	Scholarship-Medicine	Provide scholarships to School of Medicine Student(s) as selected by School of Medicine scholarship committee. Criteria to be determined by the SOM committee.	
7623	Cell Biology & Anatomy Research	To facilitate research programs and activities in cell wounding.	
7624	Dermatology Lecture Expendable	Support lecturshipp program; or disbursed annually to benefit the programs and activities of the Department of Dermatology.	
7627	Cell Biology & Anatomy Cancer Research	To facilitate research programs and activities in breast cancer research.	
7632	O'Neal, John & Phyllis Scholarship Expendable	INCOME to be used to provide financial support to deserving students in the School of Medicine.	
7639	Depression Prev. Education	To provide funding for educational and research programs for depression prevention within the Department of Psychiatry and Health Behavior.	
7640	Dermatology Department	Support the programs and activities of the Department of Dermatology.	
7642	Donald M. Sherline Maternal Fetal Medicine Research	To be used to support research in the area of Maternal Fetal Medicine and other functions.	
7646	Pediatric Echocardiography	To fund educational needs of individuals involved in pediatric echocardiology.	
7647	Diabetes Outreach	Support programs and activities of diabetes outreach programs.	

Fund	Name	Description	Group
7651	Endocrinology Nutrition Section Education	Support the programs and activities of the MCG's section of Endocrinology and Nutrition. Including supplies, equipment, travel, hosting and attending seminars and recruitment of faculty and fellows.	
7652	Emergency Medicine Chairman's Academic	Support academic activities in the Department of Emergency Medicine to include teaching, resident medical education and the purchase of equipment, and supplies used for academic and teaching.	
7653	Emergency Medicine International	Used in direct support of the emergency medicine international medicine program.	
7654	Emergency Medicine Residents	Support the emergency medicine residency program.	
7657	Distinguished Chair for Oncologic Pathology	To provide support funding to the leadership of Oncologic Pathology in the Department of Pathology in the form of salary supplement for the Chair Holder.	
7658	Emergency Medicine Wilderness	Direct support of the MCG wilderness medicine program and/or events that fall within the disbursement guidelines and procedures for MCGF.	
7659	Dept. Of Pathology Congenital Heart Disease Dev. Education Fund	To support the study and research of diseases associated with congenital heart development.	
7660	Endocrinology	To support the programs and activities of the Department of Endocrinology.	
7662	E.J. McCranie, M.D. Award	Will support (1) a medical student awardee (a final year student colleague about to enter a residency in Psychiatry), with a \$400 stipend and (2) a first year Pay Grade Year-1 resident in Psychiatry and Health Behavior which would support his/her attendance at the annual meeting of the American Psychiatric Association with a \$600 stipend.

7681	Experimental Surgery	Support activities of general surgery and various surgical subspecialties in the pursuit of the new and improved surgical techniques.	

Fund	Name	Description	Group
7682	GRA Eminent Scholar Chair In Neuroscience	To support a chair in neuroscience.	
7688	Family Medicine Education	To enhance education programs within family medicine in Georgia.	
7691	Family Medicine Research	Support research endeavors within family medicine.	
7692	First Union Fdn. Matching Gift Expendable	To fund an endowed chair in the Institute of Molecular Medicine and Genetics.	
7700	Georgia Prevention Institute	To support the academic and professional activity of the Georgia Prevention Institute.	
7703	Gastroenterology & Hepatology	To fund education and training in the fields of gastroenterology, hepatology, nutrition and pharmacy.	
7705	Health Svcs. Research & Development	To contribute to the development of a program of health services research within Georgia.	
7706	Hy & Blanche Selwyn Parkinson's Fellowship	To provide supplemental funding to the Department of Neurology fellowship training position in the Movement Disorders Clinic.	
7708	Hendrich, Chester E. Memorial Scholarship	To provide equal scholarships for students in the School of Medicine and School of Allied Health Science.	
7709	GI Surgery Research	To support the activities of the GI surgery service in the pursuit of new and improved techniques for GI surgery.	
7711	Arthur J. Gatz Memorial	To buy books and/or journals for the anatomy museum.	
7713	Gen Med/Ambulatory Care Education	Support for the ambulatory care education lecture series for the Department of Medicine.	
7716	Glover-Mealing Eminent Scholar Chair in Immunology	To support salary and benefits for the faculty member recipient of the Glover Mealing Eminent Scholar Chair in Immunology.	

Fund	Name	Description	Group
7718	Dr. Charles Goodrich Henry and Carolyn Howell Henry Chair of Orthopedics	To provide supplemental funding to the Section of Orthopedics to recruit and maintain a faculty position.	
7719	Gynecologic Oncology	For support of administration and research in the Gynecologic Oncology Section. OB/GYN Department.	
7720	Medicine-General	To support the programs and activities of the Department of Medicine.	
7721	Geriatric Service	To fund geriatric service activities.	
7722	GAFP Joseph W. Tollison, M.D. Distinguished Chair	to support a chair in family practice	
7723	General Gynecology Clinical Research	For support of administration and research in the Gynecologic Oncology Section in the OB/GYN Department.	
7728	Orien Thomas Gower Scholarship Expendable	To provide scholarships to a student in the School of Medicine based on high academic qualifications, financial need, and qualities of kindness and caring.	
7731	Georgia Sleep Center	To support the educational and research activities of the Georgia Sleep Center.	
7732	Gramling, Z.W. Scholarship	To build an endowed chair in anesthesiology. The fund will also support scholarly academic endeavor for one or more medical students as well as an annual lectureship.	
7735	Greenblatt Lectureship Expendable	To invite an outstanding endocrinologist to deliver a scientific lecture annually.	
7736	Robert B. Greenblatt, M.D., Chair in Endocrinology	To be used as salary supplements and for support of research to enhance the Department of Endocrinology.	
7745	Hames Family Practice Fund Expendable	To fund a lectureship, salary supplements, and research in Family Practice.	

Fund	Name	Description	Group
7746	Ellington Charles Hawes Chair In Pediatrics	To support a chair in Pediatrics and hold an appropriate annual event.	
7749	Milford B. Hatcher, M.D. Chair In Surgery	To support a chair in the Department of Surgery.	
7751	Hardy & Matthei Memorial Fund	In tribute to Art Hardy, RRT and Debbie Matthei, RNC. Contributions will be used for education purposes and sponsoring guest speakers for continuing education.	
7752	Hematology/Oncology/Educational	To provide funds for job-related meeting, expenses, equipment, supplies as needed for the Section of Hematology/Oncology.	
7753	Adult Hemophilia Educational Fund	To provide for expenses, equipment and supplies for the Adult Hemophilia Clinic as well as all expenses occurring due to job-related meetings and patient educational lunches.

The ultimate goal of th account is an endowment which will at least allow partial payment of one Infectious Desease PGY4 or PGY5 salary.	
7765	Infect. Disease/VA Expendable	To support the programs and activities of the Infectious Disease Section in the Department of Internal Medicine	
7766	Lynne Griffin Johnson Diabetes Expendable	To fund research, education, and training programs for diabetes.	
7767	Kilpatrick Lectureship	In support of educational programs and professional activities of the Section of Gastroenterology.	
7768	Hospital Epidemiology/Infection Control	To be used for educational purposes (books, publications, educational conferences, etc.) to improve the infection control program.	

Fund	Name	Description	Group
7772	George Lane Scholarship	To provide scholarships in the School of Medicine.	
7776	Immunology & Microbiology	Departmental discretionary fund to promote educational goals and objectives of the Department of Immunology and Microbiology.	
7780	Leukemia Research	To be used for research in the Department of Hematology/Oncology.	
7783	Lansing B Lee, Sr. Scholarship	To establish a scholarship for a School of Medicine student, awarded annually, candidate selected by the School of Medicine Scholarship Committee.	
7784	Institute Molecular Medicine & Genetics	To support recruitment, registration, books, dues, professional services, rentals, student aid, catering, and travel.	
7787	Matuszak Fund	To be used in lupus research.	
7790	Jack B. Williams, M.D. Lectureship	To provide a honorarium for a visiting lecture in the Department of Anesthesiology.	
7793	J.C. Bible, Jr. Pulmonary Research Expendable	To provide income to support research programs and clinical care of patients in the Section of Pulmonary Medicine.	
7794	IMPRA Vascular Fellow	To support the combined MCG/Georgia Baptist vascular fellowship.	
7798	Curtis G. Hames, M.D. Endowed Chair for the Department of Fa	To support a chair in family practice.	
7802	Dorothy A. Hahn, M.D. Chair In Pediatrics	To support a chair in pediatrics.	
7804	J. Graham Smith, Jr. Lecture Fund	Yearly lectureship, inviting nationally recognized speaker, to honor the founding chairman of Department of Dermatology.	
7805	Virginia & Gordon W. Jackson, M.D. SOM Scholarship Expendable	To be used to provide financial support to deserving students in the School of Medicine based on merit and need.	

Fund	Name	Description	Group
7808	Lutcher-Colgan Memorial Lectureship	The Foundation has attempted to obtain an official agreement but has been unsuccessful.	
7810	Gilbert Maxwell Expendable	For scholarships.	
7823	Oncology Research Community Clinical Oncology Program Memorial	To support the research, academic, clinical and educational activities of the Division of Hematology/Oncology.	
7826	MCG Center For Sports Medicine	To allow an avenue of support from interest groups/individuals to advance the functions/activities of the Center For Sports Medicine.	
7829	Medicine/Continuing Education	Support for the Department of Medicine continuing education department-guest speaker expense for Grand Rounds.	
7832	Milton B. Satcher, Jr., M.D. Chair for Musculoskeletal Disease Research	Endowed Chair in musculoskeletal disease research in the Section of Rheumatology in the School of Medicine at MCG. These funds shall be used to recruit and maintain a Chair for research in the field of musculoskeletal disease, primarily, but not limited to, rheumatoid arthritis. The chair is encouraged to consult with and work with the Chair of the Department of Orthopaedic Surgery or his or her designee relative to any musculoskeletal disease research initiatives of said department. The Section of Rheumatology and the Department of Orthopaedic Surgery are encouraged to collaborate on any research initiative for either entity as long as said research pertain to musculoskeletal disease including such studies as cartilage regeneration.	
7834	MCG Disaster Medical Assistance Team	To be used in direct support of the Disaster Medical Assistance Team.	
7835	McCranie Child Psychiatry Expendable	To be used to invite child psychiatrists annually as visiting professors to participate in the training program of the psychiatry department.	
7836	Johnathan E. Trull Transplant	To assist transplant donors and recipients from South Carolina.	
7837	GRA Eminent Scholar in Molecular and Cellular Neurobiology	To support a molecular immunology endowed chair.	
7838	GRA Eminent Scholar Chair in Molecular Biology	To support a molecular biology eminent scholar chair.	

Fund	Name	Description	Group
7839	Harry Graham Hammock Alzheimer's Research Expendable	To provide financial support for activities of the Alzheimer's Research Center	
7841	GRA Molecular Immunogenetics Eminent Scholar Chair	To provide funds to support an eminent scholarship chair in molecular medicine.	
7842	Charles W. Linder, M.D. Endowed Chair Expendable	To provide funding to the Department of Pediatrics through the creation of a chair dedicated to support a faculty position.	
7843	Lois Taylor Ellison, M.D. Scholarship Expendable	NO FUND AGREEMENT	
7844	Harrison Fund In Neurology	Student educational scholarship, brain tumor research, and wherever the greatest need is in neurology.	
7845	Wanda Harper Memorial Fund	In support of the epilepsy center.	
7846	Lamar S. McGinnis, Jr., M.D. Scholarship	To provide financial support to deserving students in the school of medicine.	
7847	Neurosurgery Resident Education Fund	To support the education of neurosurgery residents.	
7848	The Carlos and Marguerite Mason Chair in Transplant Surgery and Immunology	To support a chair in transplant surgery and immunology in the School of Medicine	
7851	Minority Education Program	To support Pastoral Care Department and the continuing efforts to educate in the area of end of life issues, including but not limited to, organ donation. The fund assist the Department of Patoral Care in carrying out the mission to all clergy in the CSRA.	
7852	GRA Eminent Scholar In Cognitive and Systems Neurobiology	To provide funds to support an eminent scholar chair in synapses and cell signaling.	
7855	Multiple Discourse Model For Physician Training	Multiple Discourse Model for Physician Training Program.	

Fund	Name	Description	Group
7856	Gynecologic Cancer Prevention Center	This fund is to be used to support patient care, patient services, education and research, including purchase of equipment, supplies, travel money and other expenses related to the gynecologic cancer prevention .	
7859	Mullins Merit Scholarship	To provide scholarship(s) to a medical student(s) selected by the School of Medicine Scholarship Committee based upon need and merit.	
7861	Moretz/Mansberger Distinguished Chair In Surgery	To support a chair in the Department of Surgery.	
7862	Thomas Muldoon Lectureship	Establish lectureship in the Department of Physiology and Endocrinology to invite a distinguished scientist on an annual basis. Funds to pay for honorarium, travel, printing of brochures and reception. Excess funds can be used to enhance research.	
7863	Robert G. Ellison, M.D. Distinguished Chair In Cardiothoracic Surgery	To support research projects and fellows in cardiac and thoracic surgery.	
7864	Mullins Memorial Library Expendable	To purchase of books and other educational materials for the library; support scholarly academic endeavors in the Department of Pathology.	
7866	Neonatal Nutrition	Support research and educational activities in neonatal nutrition.	
7867	Nephrology Section Expendable	To support the programs and activities of the Section of Nephrology.	
7868	Nell Warren & William Simpson Elkin Foundation	To enhance ongoing clinical trial using Chemoradiation to treat advanced head and neck cancer - to support analysis of pre-treatment tumor biopsies.	
7869	Neuropsychology Research	To support neurological and neuropsychological research and associated student education, resident training, and faculty/staff expenses.	
7870	Neurology Department	To support the educational programs and professional activities of the Department of Neurology.	

Fund	Name	Description	Group
7876	Nuclear Cardiology Research & Education	To support research and education in the Section of Nuclear Radiology.	
7877	Medicine Clerkship	Funds to be used for educational purposes. (travel, books and supplies)	
7881	Medical Students Migrant Health Initiative	To create an opportunity for medical students and physicians from MCG to provide health care during the height of the Vidalia onion harvest.	
7882	Retronead	To fund the research project titled "Retrospective Study of in Utero Ant epileptic Drug Effects on Neurodevelopment." Funds will be expended according to the detailed budget of the study.	
7884	HIV/Aids Program	To provide support from interest groups and individuals for persons living with HIV/AIDS in the CSRA. To be used for various expenditures for the benefit and education of HIV/AIDS patients living in the CSRA.	
7886	MRI of the Brain Study	To provide funding for the MRI evaluation of sub-clinical brain edema in children and adolescents with diabetic ketoacidosis a project proposed by William H. Hoffman, MD, Department of Pediatrics.	
7889	Herbert S. Kupperman M.D. Chair in Cardiovascular Disease Exp	To support a chair in cardiovascular disease.	
7893	Neuroscience Center Research & Education Development	To further the development of research and educational programs in the Neuroscience Center of Excellence.	
7894	MCG Spine Program	To support spine program and activities.	
7896	Ollie O. MCGahee Jr, M.D. Professorship Expendable	To establish a permanent endowment fund at MCG to support of the clinical educator holding the professorship in the Department of Family Medicine.	
7897	Mandawat Educational Fund	To support continuing education in the form of travel, registration, books, software, etc....for Mandawat, cardiology faculty and fellows and staff as deemed appropriate by Dr. Mandawat.	

Fund	Name	Description	Group
7905	Housestaff Education Fund	To support the programs and activities of the Department of Obstetrics/Gynecology.	
7907	Ohms Research Fund	To support research efforts in Reproductive Endocrinology, Infertility and Genetics section of the Department of Obstetrics and Gynecology.
